Here are the 2009 Changes

As the 2009 Season Unfolded changes needed to be made. Our prior Sponsorship Commitments were unable to continue due to changing Economic Conditions. We were fortunate to have Dave Zammitt at Lockeman's Hardware and Boats step up and allow us to adopt a New Format. We went from 5 Tournaments and a Championship to 6 Tournaments allowing more Teams an Opportunity to Fish our Events. We are also paying a \$500.00 Cash Bonus to the Lockeman's Points Championship Team and a \$500.00 Cash Bonus for Lockeman's Big Bass Award which goes to the Team with the Seasons Largest Bass. This new format gave everyone a Fair Chance to receive a Cash Award. We paid 4 places on 15 Boats plus the \$150.00 Free Entry, Which equals 5 Cash Payouts for 15 Boats. I would like to send my deepest appreciation to Dave and encourage everyone to support Lockeman's Hardware and Boats.

Scott and Joe headed out into the Canadian Waters of Lake Erie. Their primary pattern of Crank Baiting Northern Shoreline Rock Piles did not materialize. They regrouped and headed to an area of shoals near Pelee Island. They began to catch Bass in 12 to 15 Feet of Water and culled through a couple of smaller limits. As the bite slowed they began to move deeper. They had fewer bites, but the quality and size improved dramatically. The Key Area was 30 Feet Deep with boulders in 26 Feet of Water. They used a Dropshot Rig of Gulp Minnows and a Finesse Worm with 10 lbs. Test Seaguar Fluorocarbon and a 5/8 oz. weight. They also Won Lockeman's Big Bass Award. Great Effort!
